EXPERIENCE

Product Image Specialist   **2019-2020**
REI   **Kent, WA**
Multifaceted employee with roles ranging from on-set Digitech, product and model photography editor, to bulk processing, ordering stock for shoots, site management, and contact point for vendors.

- Daily logs of live site, deciding what required reshoots, and ordering items.
- Digitech for onModel photography, in charge of in the moment edits for our creative team.
- Photography editor for onModel and Product photography.

Corporate Photographer   **2015-2018**
PNWER   **Seattle, WA**
High paced photographer for an annual, bi-national conference with an attendance of over 500 people including CEOs, government officials, legislators, academics, and policy leaders.

- Coordinated with event staff for multiple event coverage, usually spanning 12 hour work days.
- Quick turnaround for day-of imagery for the client, usually in between sessions.
- Ability to interact with and coerce images out of important attendees without being obtuse.

EDUCATION

- **Certificate, Full Stack Web Development** – University of Washington   **Seattle, WA**
- **Bachelor of Arts, Digital Media - Film Production** – Dordt University   **Sioux Center, IA**
